

## Product information

# 92 84 18

## Universal Tweezers

- Universal Tweezers are suitable for demanding standard applications and precision tasks
- Wide range of designs: straight, angled, gripping surfaces and handles smooth or serrated, with needle points, narrow or blunt tips, as well as different lengths
- For the electronics industry, watchmakers and jewellers
- High quality stainless steel: extremely tough and very good corrosion resistance against a variety of atmospheric environments and many corrosive materials
- Stainless steel

### General

|                   |                           |
|-------------------|---------------------------|
| Article No.       | 92 84 18                  |
| Reference number  | AAPPST.SA.B               |
| EAN               | 4003773054986             |
| Material          | stainless steel           |
| Gripping surfaces | knurled gripping surfaces |
| Weight            | 18 g                      |
| Dimensions        | 126 x 11 x 18 mm          |
| REACH compliant   | does not contain SVHC     |
| RoHS compliant    | not applicable            |

### Technical details

|                      |                        |
|----------------------|------------------------|
| Surface              | matt finish            |
| Finish               | straight               |
| Tips width (A)       | 0.5 mm                 |
| Tips width (B)       | 1 mm                   |
| Tweezers tip version | blunt                  |
| Corrosion-resistant  | yes                    |
| Acid resistance      | very good              |
| ESD-tested           | no                     |
| VDE tested           | no                     |
| Sectors              | Industry electronics   |
| Magnetic             | non-magnetisable (80%) |
